Re: UMC® Authorized Distributor – Pivot Parts New Zealand

To whom it may concern,

This letter serves to confirm that Pivot Parts New Zealand is an authorized distributor of Universal Motion Components Co., Inc. also known as UMC®. Pivot Parts New Zealand is the exclusive non-OEM, aftermarket distributor of UMC® Final Drive Gearboxes, UMC® Power Saver™ Center Drives, and UMC® Couplers in New Zealand.

The UMC® brand name is widely known internationally and our products are highly regarded for their quality, reliability and performance. This is the result of 40 years of manufacturing drive train components exclusively for the mechanized irrigation industry.

UMC®'s drive train products are standard equipment on major mechanized irrigation systems globally. Our products are designed and engineered in the USA at our Costa Mesa, California facility and manufactured to our exact specifications in our exclusive factories in China, Korea, Taiwan and the USA.

UMC®, its affiliated companies, and its authorized distributors are the only entities that offer genuine UMC® drive train products globally.

The distribution of counterfeit or infringing UMC® products is a violation of the law, an infringement of UMC®'s rights and it potentially causes consumer confusion and mistake.

Should there be any doubt about the legitimacy of a UMC® product please reference the below link on UMC®'s website for guidance on how to verify whether a UMC® product is genuine.
